Address of Proprietor

or at whose door the fault should be laid, let us, as common sense of course...

What is the cause of this? Is it the fault of the people? Is it the fault of the government?

How equally proper is it now, when the spirit of the people is so high...

What is the cause of this? Is it the fault of the people? Is it the fault of the government?

How equally proper is it now, when the spirit of the people is so high...

What is the cause of this? Is it the fault of the people? Is it the fault of the government?
